RHEIN SYMPHONIE 

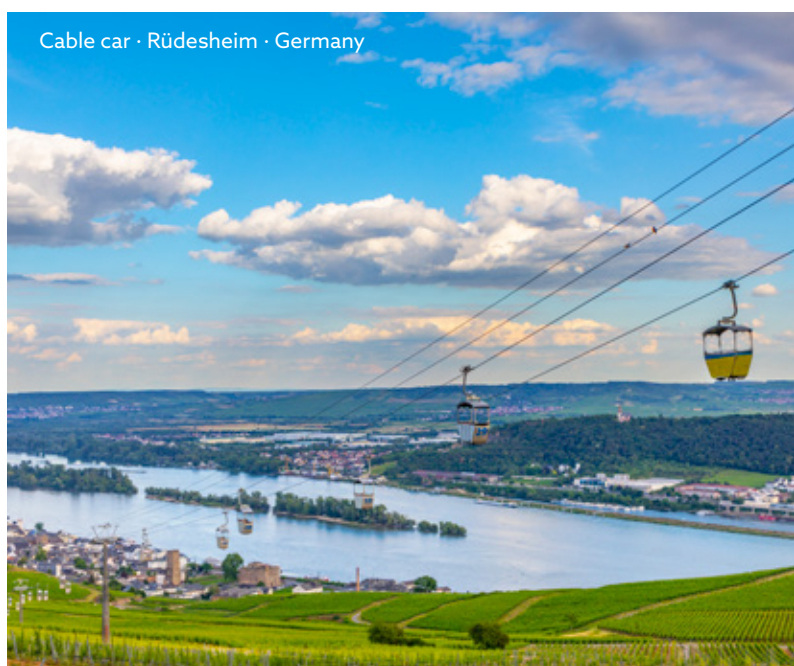

SHORT BREAK ON THE RHINE

NEW: 4 days | Cologne · Amsterdam · Cologne
NEW: 5 days | Cologne · Koblenz · Rudesheim · Mainz · Cologne

The Rhine has many faces. On the banks of Markermeer you will find the vibrant city of Amsterdam, which you will experience on our northbound cruise. The Lower Rhine region is characterised by flatlands and fields. The “romantic Rhine” on our southbound route is entirely different. The place where the river winds its way through the Rhenish Slate Mountains is the incomparably beautiful UNESCO World Heritage region of the Middle Rhine Valley. It is world famous for the many castles atop the hills on both banks, and for the Lorelei Rock. Countless songs, including the Song of the Nibelungs about Siegfried the dragon slayer, have been written about this section of the river.

Why this cruise?

- Discovery Rhine cruise
- Choose between two entirely different but equally enchanting routes
- Northbound route: experience vibrant Amsterdam
- Southbound route: through the Middle Rhine Valley, a UNESCO World Cultural Heritage region, between castles and landscapes steeped in legend
